Nancy Brook Introduction – Women's Groups

Nancy Brook admits she is recovering hopeless romantic who dreamt of meeting Prince Charming someday. Instead, she ended up divorced and on a decade-long dating merry-go-round. Eventually, she found true love not by meeting the right man, but by creating her right life.

Nancy has recently completed her book on post-divorce dating and her bicycle trip across France, called *Cycling, Wine, and Men: A Midlife Tour de France*. When she's not writing, dating, or biking across France, she works as Vice President of Marketing for First Interstate Bank Credit Cards.
