Creating True Love: Live with Passion!

Do you want more love in your life? Maybe you're single and wanting to find Mr. (or Ms.) Right. Or you could be married and want to create more love in your relationship. No matter what your relationship status, the secret to true love is that you'll never find it from outside of yourself. You'll only find it from within. Learn how pursuing the inner voice of your passions can generate deep inner fulfillment and create the love in your life that you seek.

For general audiences, women's events, spiritual and lifestyle conferences

There's Never Enough Time to Live Your Dreams

Have you ever had a dream that is on your someday list, but somehow you never have time for it? Maybe it's work, family or other responsibilities that cause you to postpone your dream. Learn why there's never a right time to take action on your dream, tools to counteract the time struggles, and how to make yourself a priority. Become inspired to manifest your dreams into your life right now.
